Frank Vismeg Regional Director of Operations,

TORONTO, ON — Manga Hotels Group is pleased to announce the appointment of Mr. Frank Vismeg as the Regional Director of Operations. As Regional Director of Operations, Frank will be responsible for all aspects of the management of nine prestigious properties: the new Hilton Garden Inn & Conference Centre – Toronto Airport, Hilton Garden Inn – Halifax Airport, Hampton Inn & Suites – Toronto Airport, Hampton Inn – Mississauga West, Homewood Suites by Hilton – London, Residence Inn by Marriott – Whitby, Holiday Inn Hotel & Suites London, Holiday Inn Express Hotel & Suites – Halifax Airport and Holiday Inn – Lockport NY. Frank is currently providing consultation for five new hotels under development.

“The demand for greener living is permeating every aspect of everyday life,” notes Vismeg. “That goes for the hospitality industry as well. Hotels all over the world are exploring ways to sustain the environment without sacrificing client comfort and our services.”

The new Hilton Garden Inn & Conference Toronto Airport has been designed and built with special attention to energy efficiency, water conservation and environmental health. The hotel has applied to be Toronto’s first Leadership in Energy and Environmental Design (LEED) Certified Hotel — which distinguishes building projects that have demonstrated a commitment to sustainability by meeting higher performance standards in environmental responsibility. The 224-room hotel, complete with 5100 square feet of banquet facilities, opened recently.

“Having a veteran hotelier like Frank Vismeg come to our organization, with his international experience in all aspects of the hospitality and tourism industry, will add a positive driving force. Our goal is to strengthen the position and improve the performance of our elegantly designed properties. Frank is a welcomed addition to our management team,” said Mr. Toor.

Mr. Vismeg brings extensive industry experience and a strong network of relationships developed within the hotel industry,
